Inclement Weather Policy

The safety of the families we serve is our first priority. In the event of inclement weather, Access Ministry programs and events may be canceled. The following guidelines will be observed:

Access will follow the Federal Government delayed opening and closure policy.

If the government is delayed in opening by two hours or is closed, A.D.D.P. will be closed. Families may also choose to call the church's main number, 703-639-2000. Families should sign up for **AmeriAlert** (Emergency Alert System), which MBC uses to send texts and/or emails about closures. Contact an A.D.D.P. staff person to get instructions. Families may call program coordinators to verify program cancellations, as well as check mcleanbible.org.
