Inclement Weather Policy

The safety of the families we serve is our first priority. In the event of inclement weather, Access Ministry programs and events may be cancelled. The following guidelines will be observed:

Access will follow the Federal Government delayed opening and closure policy.

If the government is delayed in opening by 2 hours or is closed, A.D.D.P. will be closed. Families may also choose to call the church by calling the main number, 703-639-2000. Families should sign up for **AmeriAlert** (Emergency Alert System), which MBC uses to send texts or emails about closures. Contact an A.D.D.P. staff person to get instructions. Families may call program coordinators' phone numbers to verify program cancellations as well as check the website at www.mcleanbible.org.
