EL SALVADOR TEAM SHARE NIGHT

Our El Salvador team has returned from their Global Impact trip & they have so many updates & experiences to share! Stay after service Monday, July 16, in the Connect Room to hear about how they saw God working in El Salvador & how we can continue to pray for our ministry partners there! This is not a night to miss! It's great encouragement if you've been on a Global Impact trip in the past and if you're considering a trip in the future!

ETHIOPIA GLOBAL IMPACT TRIP

We have a team of Arlington congregants joining the McLean Bible Church-wide trip to Ethiopia soon. Please join us in lifting them up in prayer as they prepare for the trip. Pray for Lindsey, Carli, & Holly to be strengthened by God's word as they prepare their hearts to serve in Ethiopia.

SERVE: COVENANT HOUSE VISIT

This Sunday, July 8, we'll spend time with young adults living at the Covenant House Shelter & walk through devotionals. There are many ways to support this ministry: praying for the residents, providing dinner for the residents when our team visits, or volunteering your time on Sundays.

YOUNG ADULT RETREAT REGISTRATION OPEN

Our annual Young Adult Retreat will be Aug. 31-Sept. 2 at Rockbridge & registration is now open! The YA Retreat is for those who are college-aged, 20s and 30s. We welcome young adults from all five MBC campuses and visitors! If you are new to MBC, the retreat is a great place to meet new people and get better connected within our church community.
