## THINGS TO KNOW THIS WEEK

### OPEN DOOR 2019 WORLD WATCH LIST

For more than 60 years, Open Doors has served in the world's most oppressive and restrictive countries for Christians. Open Doors' 2019 World Watch List reveals that 1 in 9 Christians worldwide experience high levels of persecution. Open Doors USA works to equip the Western church to advocate for the persecuted because we believe it is in the DNA of every believer to care for the hurting and have compassion for those who are persecuted—because we're one family in Christ.
