Reclaiming Lost Brains

A Psychiatrist's Approach to Digital Addiction

Dr. Clifford Sussman

Psychiatrist

Monday, September 14

7:30-9:00PM, Community Room B

McLean Bible Church
8925 Leesburg Pike
Vienna, VA 22182

There are many benefits of living in a digital age. Excessive use of screen time, however, can lead to social, academic, health and psychological problems. Addiction to digital technology is a rapidly-growing issue among people of all ages. Dr. Sussman will help explain digital addiction using scientific evidence and discuss approaches to treatment.

Dr. Clifford Sussman
Psychiatrist

Dr. Sussman, MD, has a private practice in psychiatry for children, adolescents and young adults in Washington, DC. He has many years of experience treating digital addictions, aided by a background in educational software and game development. He also works with many clients who have ADHD and Autism.

The evening is free and open to everyone.
